### Accessories to the gown: HOOD

The hood is a traditional accessory to graduation gowns, which is like a stole an aesthetic addition that enriches graduation gown. Hoods can be used as an alternative to stole. The hood is not firmly attached to the gown and therefore it can be combined with different types of gowns. The color elements shown in the illustration images can be modified in color.

## Give students a souvenir of your school

Did you know that students all over the world traditionally like to keep their graduation cap or its tassel as a souvenir?

Although we do not sell individual tassels in our standard offer, we have clients who regularly rent graduation caps from us and buy the tassels, which students can keep as souvenirs afterwards.

What a beautiful tradition!

Contact us and together we will come up with a model that would suit you.
